

Dear Oleg,

I would like to say thank you on behalf of the entire photography club. We really appreciate what you and the others have done for us. You have been a great mentor to us, and we are very grateful to have been blessed with your guidance. We have all blossomed into great photographers because of you and for that we are very grateful. We also love the books that you gave us with all of our pictures inside. It was so thoughtful of you to make them. We had a great time with your guys. You gave us the confidence to be great photographers someday!

Love,

Tyaja

Dear Oleg,

I'm very happy that I took photography class. It was amazing. I thank you for teaching me how to take good pictures. You took us to a lot of cool places, and it was very fun taking pictures there. I'm so happy that you picked my school to do photography. My favorite place that we went to was the Brooklyn Bridge. It was so fun because I got to take a lot of fun pictures on the bridge. Thank you so much for everything.

Yours Truly,

Jahnai Bass

Dear Oleg,

I would like to say thank you for all your hard work and dedication to helping us to become better photographers. I really enjoyed waking up on Saturday mornings and being excited to attend photography club. I would like to thank everyone else who put their time in to come and enjoy their time with us and take pictures. I liked our trip to 125th street the best, when we took pictures of portraits and action shots. Thank you!

Yours Truly,

Sandra A. Senajor

Dear Oleg,

Thank you for the books you gave us. I liked them so much. I showed it to everyone in my family and they wished they could have taken part. I wish to work with you guys again in the near future. I've learned so much in photography club and hope to do it in high school and college. This is something I can see myself doing as a career. Thanks to you! The website I visited, 5boroughs.org, is great. I loved it and so did my mom. Hope to see you soon!

Sincerely,

Mary E. Zachariah

Dear Oleg,

Thanks Oleg for a great time showing us the basics of photography. I have learned a lot through this whole experience. I truly do believe that this will help me in life. I have made many friends with the teachers, and I am going to really miss coming to learn about photography. But it won't end here. I will continue to follow what you have taught me.

Thank you a lot for all you have done, and I hope I will be able to see you again.

Sincerely,

Wayne Cooper

Dear Oleg,

Photography class was the best!! It was so fun. I learned a lot, like how to use the camera in different angles and how to use light. I had fun with all of you guys. I loved the trips we went on and the Photography book. Ever since Ms. Caitlin showed us the website, I have been going on it to see the different pictures we took.

I wish Photography Club never ended. I'm going to miss all you guys and just because I'm not going to be in photography class does not mean I'm going to stop taking pictures. You guys taught me a lot, and I'm going to keep taking pictures using all the ideas that you taught me.

Thank you so much for everything and all of your excellent tips. I wish you the best of luck on continuing teaching kids about photography. I know they will enjoy it because we all enjoyed it here. Thank you again!

Sincerely,

Erick Smith

Dear Oleg,

I would like to thank you for giving me the opportunity to experience the life of a photographer. Taking pictures is very interesting. I couldn't have asked for a better activity to participate in. In this class, I learned how to take pictures in different ways. One way is in different lights. This was a great experience. Thank you again!

Sincerely,

Brittany

Dear Oleg,

I really enjoyed Photography Class this year! It was a fun way to learn how to take pictures at different angles and perspectives. My favorite part was going on trips and taking pictures of the different places and people. Thank you for the books you gave us with our pictures in it. I had so much fun!
